## About Us :

Established in 1985, we have proudly grown to become the largest granite quarry owners in Iran. Our dedication to excellence is evident not only in our extensive operations but also in our commitment to delivering the highest quality products and services to our valued customers.

With state-of-the-art factories and partner facilities across various countries, we harness the skills of professional teams at our quarries and factories. Our strict quality control system ensures that our Products meet the highest standards of craftsmanship and durability.

To further enhance our operations, we have a robust logistics team and strategically located warehouses that enable us to deliver materials and products with utmost efficiency. Our mission is to provide you with the best quality Products in the shortest possible time, no matter where you are in the world.
